Zemlya (Earth)

One of the top 10 silent films of all time, banned by Stalin just days after release in 1930, and it's Ukrainian. The soundtrack has been re-scored by Horsham composers and is performed live. The story of a rural community rising to meet their challenges.

Composer Nick Shirrefs (NS) and electronic artist Will Netherway (WN)
20, 21 and 27 June (NS) and 1 July (WN)
Tickets: \$20
